Buckner Children and Family Services and Chevron Phillips Chemical Company: "Keeping Kids on Course"

The Chevron Phillips Chemical Company annual charity golf tournament has become a Southeast Texas tradition! To date, this event has raised more than \$2.4 million to help meet the needs of abused and neglected children and families in our area.

"We are so proud to be a partner with Buckner and our community in sponsoring the tournament. Employees from our Orange and Port Arthur plants work hard to make this one of the premier golf events in Southeast Texas," said Mike Nemeth, Port Arthur Plant Manager. "We hope you will consider supporting this great organization in their efforts to help hurting children and families."

John Carlson, Plant Manager in Orange added that funds from the event stay in Southeast Texas. "This is a great opportunity to strengthen our community."

For more than 46 years in Southeast Texas, Buckner Children and Family Services has provided a safe home for boys and girls who have been abused, neglected or abandoned. In addition to foster care and adoption programs, Buckner helps young adults make the transition from substitute care to self-sufficiency.

Buckner also serves families in crisis by offering parenting classes, crisis intervention services and support.

Since 1879, Buckner International has been transforming lives through hands-on ministry, serving the most vulnerable from the beginning to the ending of life. Buckner is one of the oldest and most unique faith-based social service organizations of its kind, serving people each year in the United States and worldwide.

All proceeds from the Chevron Phillips Charity Golf Tournament will stay in Southeast Texas to benefit the children and families served by Buckner.

Special thanks to our BROCHURE SPONSOR

Veolia North America helps our customers address environmental and sustainability challenges in energy, water and waste. Proud sponsor of this event for 13 years!

Give Buckner Your Best Shot.
